Associazione Nazionale  
Produttori Illuminazione

AURA LIGHT

**CREE**

**ERCO**

HALLA

**OSRAM**

**Panasonic**

**PHILIPS**

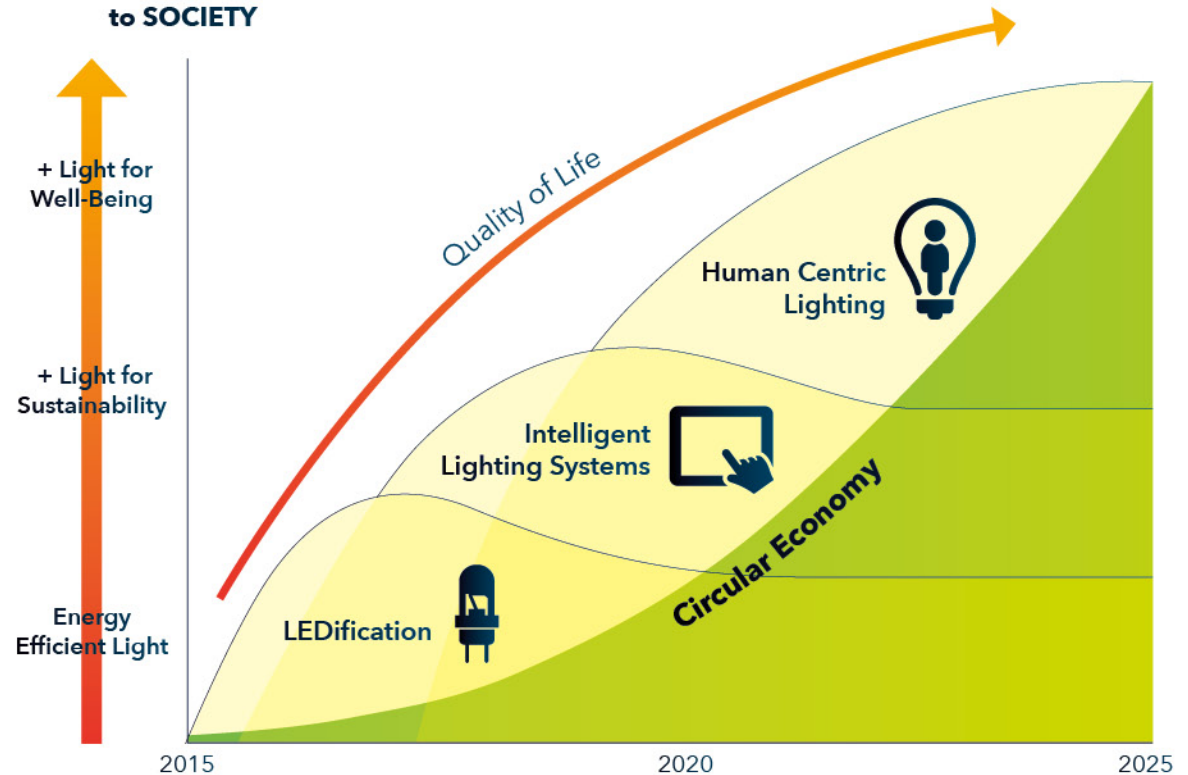

# Our Vision - Strategic Roadmap 2025

The Strategic Roadmap of LightingEurope demonstrates the increasing growth in the value of light to society.

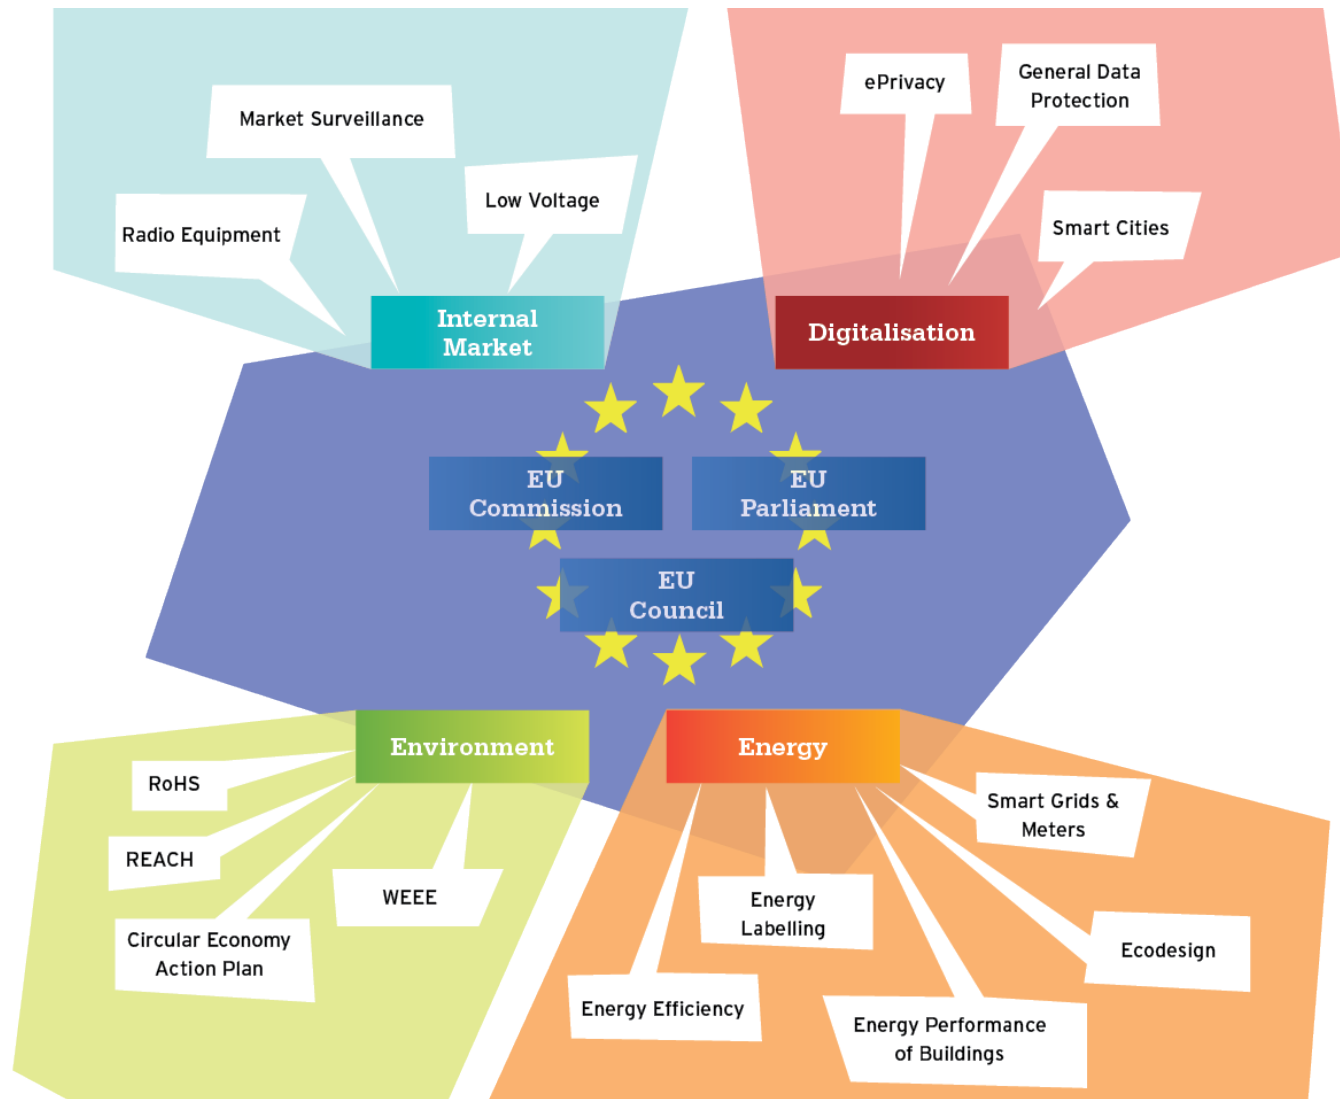

In this process, **energy efficiency** is supplemented with **light for sustainability** and with **light for wellbeing**.

The European lighting industry is aiming together with European legislators for the **growth of the European lighting market** by more intelligent lighting, increased renovation rates, Human Centric Lighting, and Circular Economy.

## Growth of VALUE of LIGHT to SOCIETY

# EU regulatory framework impacts lighting

# Our focus areas

## Intelligent Lighting Systems

Growing the market by stimulating more intelligence, controls, sensors, and dimming

Digital Single Market

System efficiency

EPBD

Cybersecurity & data privacy

IoT

Emergency Lighting

Smart buildings

Building Management Systems

Interconnectivity

Smart cities

Smart Readiness Indicator

Building Automation and Control Systems

## Human Centric Lighting

Promoting the true value of light in excellent visual, biological, and emotional benefits

Quality of life (health, wellbeing, performance)

Renovation & retrofitting

Healthy buildings

Occupational Health and Safety

Smart buildings

## LEDification

Growing the market by quality of light

Eco-design  
EPBD  
Metrics  
Internal Market  
System efficiency  
Green Public Procurement  
Energy efficiency  
Market Surveillance  
Trade  
Energy labelling  
ENEC  
Custom Codes

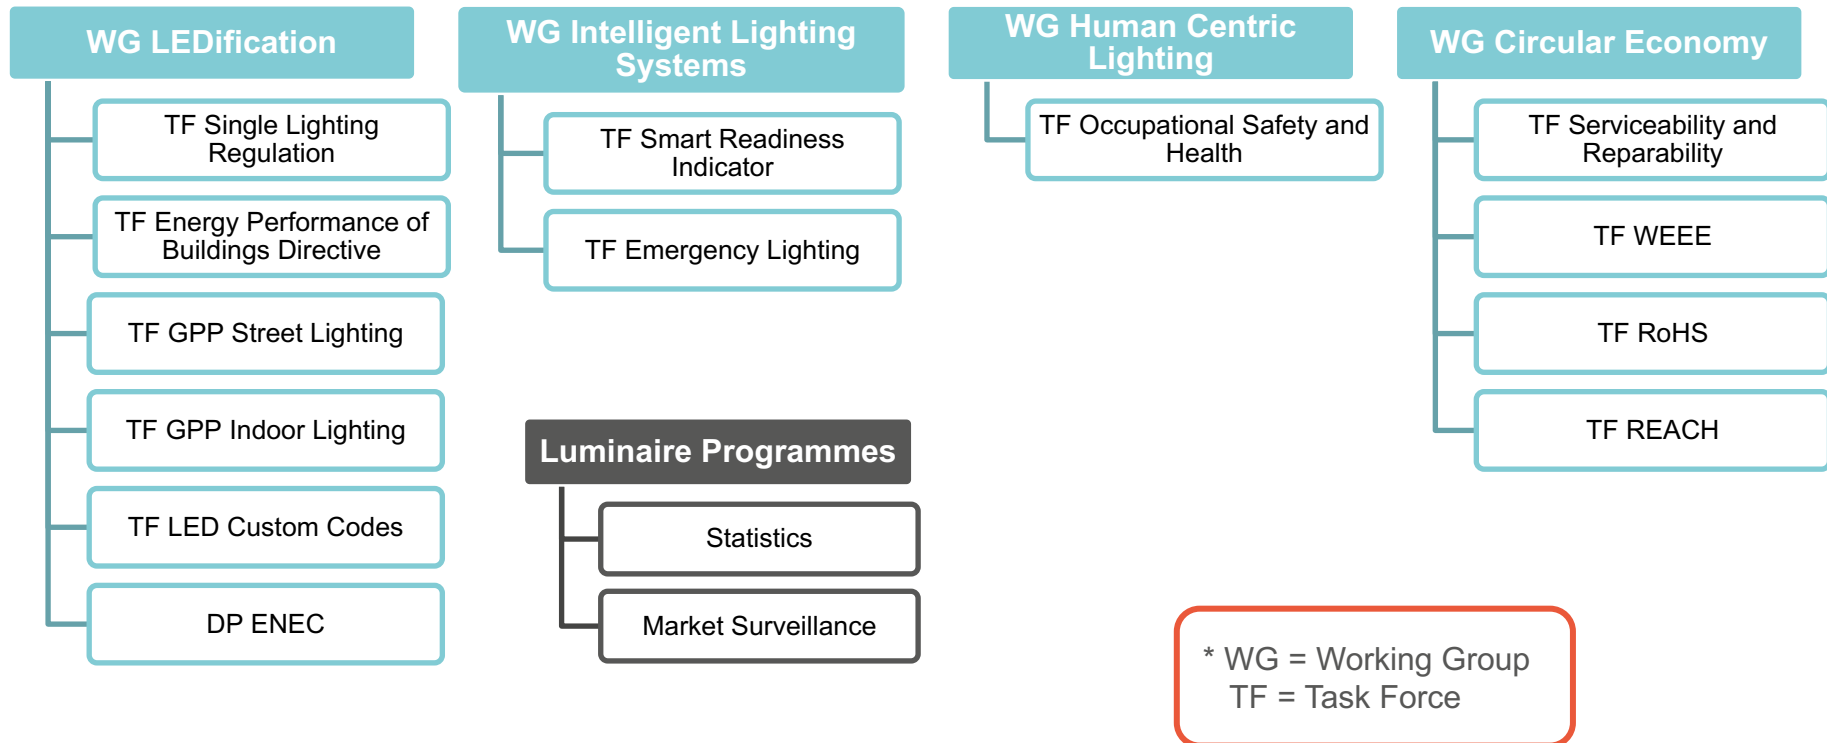

## Circular Economy

Minimising the ecological footprint

Material Efficiency Standards  
Durability  
Product lifetime  
Repair and reuse  
WEEE  
Green Public Procurement  
Renovation & retrofitting  
Waste generation & management  
Horizon 2020  
REACH  
Serviceability  
Reparability  
RoHS

# Our working structure

# Value for members

- ✓ Only **voice of the lighting industry** in Brussels
- ✓ **Dedicated** to lighting – sector specific
- ✓ Connected to decision makers - the lighting industry's **Brussels office**
- ✓ **Strategic vision** providing direction for the lighting industry
- ✓ **Early warning** on upcoming policies and laws impacting lighting and your business
- ✓ **Guideline documents** and **access to experts**: understand how EU rules impact you and what you need to do to comply
- ✓ Compliant forum for industry to **exchange views** and reach consensus

# Membership benefits and services

- ✓ Participate in Working Groups and Task Forces
- ✓ Regular **updates on latest policy developments** and how they impact the industry
- ✓ Shape LightingEurope **positions and advocacy strategies**
- ✓ Access to LightingEurope **guidelines – interpreting and complying with EU rules**
- ✓ Invitations to LightingEurope **events**
- ✓ Monthly **Newsletter**
- ✓ **Voting rights** in the General Assembly
- ✓ Right to stand for election to the Executive Board
