

The Digital Services Act: How to address product compliance online?

Brussels, 26 January 2021 – The proposed Digital Services Act published by the European Commission on 15 December is a unique opportunity to upgrade our European rules and make them fit for today's market reality.

LightingEurope hosts an online panel discussion, one of the first opportunities for a public exchange of views on the proposed text and whether it closes the gaps in today's legislation.

Date: 18 February

Time: 10:30 – 12:00 CET

Panelists:

Mr. Alex Agius Saliba	Member of the European Parliament
Mr. Werner Stengg	Member of Cabinet - Executive Vice President Margrethe Vestager at the European Commission
Ms. Catherine Van Reeth	Director General of Toys Industries of Europe
Ms. Maryant Fernandez Pérez	Senior Digital Policy Officer, BEUC – The European Consumer Organisation
Mr. Kees Van Meerten	Director, Signify

Moderated by: Ourania Georgoutsakou, Secretary General, LightingEurope

Join us to discuss how to ensure that only safe and quality products reach the EU market: Does the proposed Digital Services Act close the legal gaps for product compliance online? To which extent would these measures prevent the listing and re-listing of illegal goods online? Does it ensure there is always an economic actor within the EU jurisdiction who takes on all the product compliance obligations? We will address all these points with our panelists.
